On behalf of myself, my minor child, or, if I am the healthcare decision-maker for the patient named below, then for the patient named below, I acknowledge and consent to the statements made in this form. Any changes you might make to this form are not binding on Lone Tree Surgery Center, LLC without its written agreement. This form (the "Agreement") applies for care and treatment now and, for future care and treatment, until I sign another version of this Agreement or revoke this one.

Consent to Service

- I consent to receive care at Lone Tree Surgery Center from Providers and employees. I consent to services the Providers consider reasonable and necessary for care and treatment including examinations, diagnostic tests, laboratory services, routine outpatient services, administration of medications, and other health care services. I understand that I have the right to agree to or refuse care.
- I understand guarantees about health care and the results of such care cannot be made and do not rely on any such guarantee if given.
- I understand that care and treatment may be provided by physicians, physician assistants, nurses, and other health care providers determined in the discretion of Lone Tree Surgery Center, LLC.
- I hereby consent and grant to Lone Tree Surgery Center the right and authority to take photographs, images, audio recordings, and/or video recordings (collectively "images or recordings") in connection with my diagnosis and treatment. I agree that, upon creation, such images or recordings are owned by Lone Tree Surgery Center and may be used for quality improvement and education. I understand that I have the right to request that recording or filming stop at any time. I acknowledge that Lone Tree Surgery Center may disclose these images as required or permitted by law.
- I authorize Lone Tree Surgery Center to take, retain, or dispose of at its convenience all specimens, tissues, parts or organs taken from my body during my care.

Patient Rights and Responsibilities Acknowledgement

My signature on this form indicates that I was offered a copy of Lone Tree Surgery Center, LLC's Patient Rights and Responsibilities and Notice of Privacy Practices.

Physician Ownership

We are required by Federal law to notify you that physicians hold financial interest or ownership in Lone Tree Surgery Center. We are required by 42 C.F.R. § 416.50 to disclose this financial interest or ownership in writing and in advance of the date of the procedure. I have received information that my Provider(s) has a financial interest or ownership in Lone Tree Surgery Center, LLC and other nearby facilities in which my physician does not have a financial interest and that provide similar medical services. You have the right to choose the provider of your health care services. Therefore, you have the option to use a health care facility other than Lone Tree Surgery Center. You will not be treated differently by your Provider if you choose to use a different facility. If desired, your Provider can provide information about alternative providers and facilities.

Financial Agreement and Insurance Benefits

- **Out-Of-Network Providers.** I understand that not all physicians or professionals providing services at Lone Tree

- Surgery Center, LLC are employed or contracted by Lone Tree Surgery Center. Some of these providers may not have agreements with my insurance plans and may be considered as "out-of-network" for my health plan. I understand I should ask my provider whether he or she participates in the same insurance plans as Lone Tree Surgery Center. I understand that using these providers could result in higher charges to my plan and could result in higher copayments or coinsurance that are my responsibility. I understand my rights and payment obligations to out-of network providers may be governed by state law.
- I understand that I am responsible for paying for health care at the rates charged by Lone Tree Surgery Center and any physicians or other providers providing care, including any amount not paid by insurance.
- I agree to pay the charges for my care at Lone Tree Surgery Center. A list of the non-discounted charges of the Facility, called a chargemaster is available along with information about billing, payment, insurance, standard charges, and financial assistance. The chargemaster is made a part of this Agreement and I have had an opportunity to review that information and ask any questions.
 - I understand that insurance plans, government agencies, or other entities may have negotiated or discounted rates other than those set forth in the chargemaster through agreements with Lone Tree Surgery Center and/or Providers. I understand that, if I am not a beneficiary under those agreements, any negotiated or discounted rate is not applicable to services provided to me and I am responsible for the full non-discounted rates set forth in the chargemaster.
 - I understand that my insurance or another source may help pay my bill, and may have negotiated some other charge rate, but that Lone Tree Surgery Center has not made any representations about what I may be obligated to pay.
 - I understand Lone Tree Surgery Center, as a courtesy, may communicate with my insurance company about coverage. I acknowledge that I have full responsibility to confirm whether my coverage is in-network or out-of-network as that may impact the amount of payment by my insurance company. I understand that I am responsible for payment based upon chargemaster rates, not based on what my insurance tells Lone Tree Surgery Center about my coverage.
 - I authorize Lone Tree Surgery Center to bill my insurance and request that payments be made directly to Lone Tree Surgery Center. I understand that this procedure does not guarantee payment and agree to pay the chargemaster rates for care that insurance does not pay. I assign to Lone Tree Surgery Center all rights to insurance payments or benefits to which I may be entitled for services provided to me by Lone Tree Surgery Center. I will give Lone Tree Surgery Center information about my insurance or other health coverage and complete forms that may be required to help pay for my health care, and that Lone Tree Surgery Center may make the decision to and actually bill me directly.
 - Some insurance plans work with health care providers as preferred providers. I understand that Lone Tree Surgery Center and health care providers at Lone Tree Surgery Center may not be a preferred provider for my plan. I agree to pay the full amount charged as stated on the chargemaster rate if my insurance does not cover the health care services provided at Lone Tree Surgery Center at the chargemaster rate.
 - Insurance and other payment sources sometimes require that I notify them to approve payment for health care. This may include approval before getting a second opinion, before a test, or before an outpatient procedure. I understand communicating this to my insurance or other payor insurance or payor is my responsibility.
 - If I have and am using my insurance, I agree to pay my part of the charge when I receive care. My part of the charge may include, but is not limited to my deductible, copayment, and coinsurance, payment for non-covered services or payment for any other services not paid by my insurance carrier.
 - If I do not have insurance or am not using my insurance, payment in full or a deposit may be due at the time of service.
 - I understand that, before I am treated, I can ask Lone Tree Surgery Center for the generally charged rates for my care and Lone Tree Surgery Center will provide a good faith estimate. I understand that Lone Tree Surgery Center may not be able to provide this information to me in all cases. I understand that Lone Tree Surgery Center cannot guarantee the accuracy of the estimate, and that it does not account for unforeseen complications, additional tests or procedures, and medical provider bills, any of which may increase the ultimate charge of the services provided.
 - If I do not have insurance or I cannot pay the bill, I may qualify for a payment plan if approved by Lone Tree Surgery Center depending on my specific circumstances.

- I understand that my payment is late if I do not pay all amounts due, or if I do not establish a payment plan with Lone Tree Surgery Center, within ninety (90) days after my first statement is mailed to me by Lone Tree. I understand that if my account is sent to a collection agency or lawyer due to late payment or non-payment, I will pay reasonable attorney fees and court costs. I understand that a \$20.00 fee will be added to my bill if a check, debit card or credit card payment I make is dishonored. I give up my right to trial by jury if I do not pay my bill in full on time, and/or if I do not have sufficient funds in my account to cover my charge.
- **I understand that I may receive bills from health care professionals who provide services to or for me, including but not limited to radiologists, surgical assistants, pathologists and anesthesiologists and advanced practice providers, who are not employees of Lone Tree Surgery Center and may send a separate bill. I understand that those professionals may assist in my care at the request of my provider, who has my authorization to engage their services. It is up to me to pay for these services.** If I have a payment plan with Lone Tree Surgery Center about paying my bills, I also need to make a separate payment plan for the services of these professionals. I grant those providers access to this Agreement.
